Regarding: AGREEMENT OF HOST INSTITUTION IN SUPPORT OF MR. GODWIN YEBOAH'S APPLICATION

REF: COST STSM REFERENCE NUMBER: COST-STSM-IC0903-10640

Dear Sirs and Madams

I am writing in support of the COST STSM application by Mr. Godwin Yeboah for fourteen days visit to the University of Copenhagen, in Denmark, to study and apply agent based modelling and simulation technique using the NETLogo toolkit in relation to cycle track modelling.

I confirm that our staff will be available to work with Mr. Godwin Yeboah during his 14-day proposed visit from **05.11.12 to 18.11.12** and we are in a position to host Mr. Yeboah, as intern, at the University of Copenhagen for 5 working days per week (as necessary) for the duration of the visit.

Our centre is a national centre for research, education and consultancy services within urban planning and design, landscape architecture and landscape management, and also forest and forest products. The centre is situated within the Faculty of Science at University of Copenhagen. The centre has about three hundred employees and an estimated annual budget of 180 million DKK.

Sincerely,

Dr. Hans Skov-Petersen
(Senior researcher)
